

WBCS Foundation Course (New Pattern 2026)

About the Batch

✔ Course Duration: 24 Months

A structured 2-year program designed to cover the entire WBCS syllabus step-by-step. The course ensures ample time for concept building, answer writing practice, and multiple rounds of revision.

✔ Course Validity: 3 Years

Enjoy 3 years of course access, allowing you to revisit classes, notes, and test discussions anytime. Perfect for aspirants who may appear for multiple attempts or need extended preparation time.

✔ Complete General Studies Preparation: Prelims & Mains

Comprehensive classroom sessions covering all GS topics for both Prelims and Mains. Includes standard books, NCERTs, and additional reference material coverage. Emphasis on conceptual clarity, answer structuring, and linkage between Prelims and Mains syllabus.

✔ Offline CSAT Classes Before Prelims

Dedicated offline CSAT (Paper II) sessions with basic to advanced practice. Focus on quantitative aptitude, reasoning, comprehension, and time management strategies to ensure you comfortably clear the qualifying paper.

✔ Access to Online NCERT Batch

Special online NCERT foundational batch access for strengthening basics. Ideal for freshers or working professionals who want to cover core subjects in a flexible mode before advanced GS topics.

✔ Current Affairs Coverage: Regular Updates & Discussions

Monthly and weekly current affairs classes focusing on dynamic topics relevant for both Prelims and Mains. Includes monthly compilations, editorial discussions, and answer enrichment points for Mains.

✔ Daily Class Notes & Revision Notes

Get well-organized daily classroom notes after each session. Quick revision notes and handouts for Prelims facts and Mains analytical points help in last-minute preparation.

✔ Interview Guidance Program (IGP)*

Personalized Interview Guidance Program for candidates qualifying Mains. Includes mock interviews, one-on-one personality development sessions, and expert feedback to boost your performance in the final stage.

✔ **Personalized Mentor Assistance: 1:1 Guidance & Doubt Clearing**

Each student gets access to dedicated mentors for regular progress tracking, study planning, and doubt resolution. Scheduled mentorship calls and face-to-face sessions available.

✔ **Optional Subjects Combo Courses Available (Not included in this course)**

Take advantage of our Optional Subject Combo offers. Choose from popular subjects with expert faculties and structured classes aligned with the WBCS Mains pattern. Helps streamline your preparation under one roof.
