

UPSC CSE Foundation Course (Offline Kolkata)

About the Batch

Course Duration: 24–36 Months

A well-paced long-term program designed for fresh graduates, college students, and working aspirants — covering the entire UPSC CSE syllabus with sufficient time for multiple revisions, answer writing, and practice.

Validity: Unlimited

Attend unlimited revision batches, access notes, test discussions, and mentorship support for as long as you need, until you clear the exam.

General Studies Classes for Prelims & Mains:

Daily structured classes (6 days/week) covering all static and dynamic portions of GS Papers I–IV. Includes integrated approach for Prelims facts + Mains analysis + answer writing techniques.

Offline CSAT Classes before Prelims:

Focused 3-month CSAT Foundation module for Paper II to strengthen aptitude, reasoning, comprehension, and data interpretation skills — with practice sheets and tests.

Online NCERT Batch Access:

Complimentary online NCERT Foundation Course for building conceptual clarity, ideal for beginners.

Weekly Current Affairs Classes*:

Dedicated weekend Current Affairs Enrichment Sessions covering major national & international events, editorial analysis, answer enrichment, and linkage with static topics.

Daily Class Notes & Revision Notes:

Receive daily classroom notes and concise revision material to reinforce concepts after every class. Includes important diagrams, flowcharts, and model answers.

Prelims & Mains Test Series:

Regular Weekly Testing Mechanism, Prelims MCQ Tests, and Mains Answer Writing Tests with detailed evaluation and personalized feedback.

Monthly Magazine:

Printed/Online Current Affairs Monthly Magazine for crisp revision of national & international issues with exam-focused analysis.

Interview Guidance Program (IGP)*:

For students who qualify Mains, exclusive IGP includes mock interviews, personality development sessions, bureaucrat interactions, and personalized feedback by retired IAS/IPS officers.

Personalized Mentor Assistance:

Regular one-on-one mentorship (on request), strategy sessions, daily check-ins, and performance tracking to keep you on course.

Optional Combo Courses Available:

(Additional — Not included in this batch) Access popular Optional subjects taught by experienced faculty under a combo plan.
